by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 67-5-212(b)(3), is amended by adding the following language as a new subdivision (D):

In any county with a population of not less than four hundred thirty-two thousand two hundred (432,200) nor more than four-hundred thirty-two thousand three hundred (432,300), according to the 2010 federal census or any subsequent federal census, or within a municipality located within such county, if a nonprofit children's hospital changes the use of one (1) or more parcels of land or portions thereof for the purpose of carrying out one (1) or more of the exempt purposes for which the institution was created or exists, the institution may claim and file an application for exemption under this section or § 67-5-213, and the effective date of such exemption shall be up to three (3) years prior to the date of application, or the date the institution began to use the property for exempt purposes, whichever is later. In determining the date that a qualifying institution begins using property for an exempt purpose, § 67-5-212(g) applies to the full extent of both improvements and underlying real property so that the entire property, to the extent that the full value of underlying land and any improvements thereon, is considered to be occupied and used by the qualifying institution or its officers purely and exclusively for the institution's purposes from and after the commencement of construction of improvements. This subdivision (b)(3)(D) applies to properties acquired before the effective date of this act so that such properties are not subject to taxation under this chapter while owned by the qualifying institution and used for one (1) or more of the exempt purposes for which the institution was created or exists, and any property taxes
